CA Kids

TX Kids Campaign

In light of the events surrounding Hurricane Harvey, Literacy First is calling on our community to "Minga" for our fellow charter school families in Houston. Several months ago members of the LFCS team were able to visit a network of charter schools in the southeastern Texas region that are doing some really amazing things. Through that connection we have learned of the needs of several of their charter schools in the Houston Area that are in need of support during this time. YES Prep Public Schools has set up a way for outsiders to support their students and families who have literally lost everything to this storm. We would love to come alongside of them as a community of Charter School families and bring some hope! See the attached flyer for more information on how you can help in the days to come.

Parent Connection... Are you new to LFCS? Are you a Veteran parent? If you answered Yes to either of these questions then we want to see you at our First Parent Connection of the Year - Tuesday, September 26th, 8:30-9:30 a.m. in the Liberty Academy Auditorium. Breakfast and Coffee will be served. Not to mention some pretty sweet giveaways to raffle off. More details in the attached flyer. Mark your calendars, we want to see you there!
