Express and help donate to our
fundraiser. See the attached
flyers for more information.

End of the Year Testing is Coming Up

Our California Assessment of Student Performance and Progress are approaching. Our first group will test at the end of April. If you are interested in having your child opt out of the testing, please contact your site administrator. Last year our school out-performed local districts in all subject areas!! We also met our participation rate requirement for testing. We are looking forward to another successful testing time.
