***Notice to All LFCS Parents:***

The El Cajon Police were called to the Primary Academy this morning as part of an investigation into a burglary that occurred Friday in the early morning hours. Police were on campus for less than an hour. Items taken include a laptop and gifts students had collected for needy families. Despite this setback, LFCS students remain dedicated to the spirit of giving that is the hallmark of the season.

Getting information is just a phone call away. Please contact Mr. Keough or I should you have any questions.
